SCHOOL LIFE 102

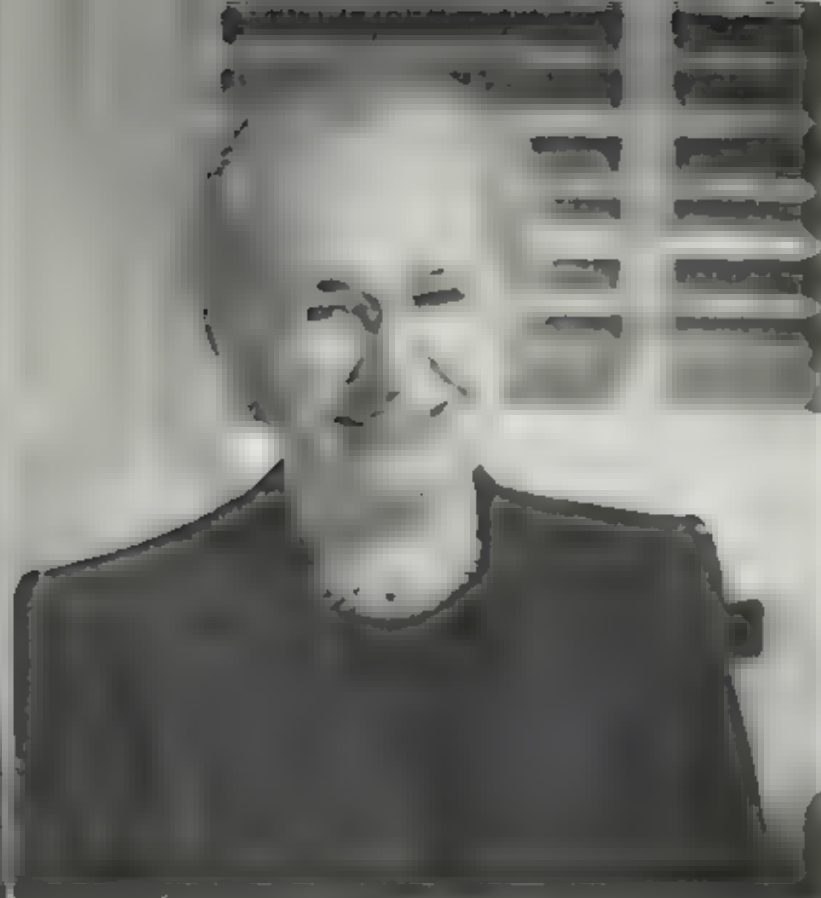

FOREWORD

To you—the students, the faculty, and the friends of the South Pasadena-San Marino High School—is presented the COPA DE ORO of 1950. The staff has endeavored to picture, via the camera, a lens eye view of the school from its social and curricular aspects.

Each year our school becomes a stage and each year the spotlight focuses itself on the Senior Class. From this class come the leaders of the school, the nucleus around which the other classes revolve. To the seniors we dedicate this year's annual.

COMMISSION

The Commission on the Status of Women, established in 1946, was the first of its kind. It was created by the United Nations to promote gender equality and to coordinate the work of the various organizations working for the advancement of women. The Commission has since become a permanent body, and its work has been instrumental in the development of international law and policy on women's rights.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

2. The second part of the document focuses on the importance of regular financial statements, such as the balance sheet, income statement, and cash flow statement. It explains how these statements provide a comprehensive overview of the company's financial health and performance, allowing management to make informed decisions based on the data.

3. The third part of the document discusses the importance of budgeting and financial forecasting. It highlights the need to establish a realistic budget for the upcoming period, taking into account various factors such as market conditions, competition, and internal resources. This process helps management anticipate potential challenges and opportunities, enabling them to develop effective strategies to achieve their financial goals.

4. The fourth part of the document addresses the importance of financial control and monitoring. It stresses the need to implement strict controls over the company's finances, including regular audits and reviews of financial data. This ensures that the company remains on track with its budget and financial objectives, and allows management to identify and address any discrepancies or issues promptly.

5. The fifth part of the document discusses the importance of financial reporting and transparency. It emphasizes the need to provide accurate and timely financial information to stakeholders, including investors, creditors, and regulatory authorities. This helps build trust and confidence in the company's financial performance, and ensures compliance with relevant financial reporting standards and regulations.

MATHEMATICS

For the past several years, the mathematics department has been working to improve the quality of instruction and to provide a more challenging and rigorous curriculum for our students. We have implemented a variety of new programs and initiatives, including the use of technology in the classroom, the development of new textbooks and materials, and the implementation of a new assessment system. We believe that these efforts will result in a more effective and engaging mathematics program for our students.

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) are bounded and tend to zero as $t \rightarrow \infty$ if the matrix A is stable. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$ if the matrix A is not stable. It is shown that the solutions of the system (1) are bounded and tend to zero as $t \rightarrow \infty$ if the matrix A is not stable and the matrix B is positive definite.

$\mathcal{A} = \{A_1, \dots, A_n\}$ is a family of n sets, then \mathcal{A} is called a λ -family if

$$|\bigcap_{i \in I} A_i| \leq \lambda$$
 for every subfamily $\{A_i\}_{i \in I}$ of \mathcal{A} with $|I| \geq 2$.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

2. The second part of the document focuses on the importance of regular financial statements, such as the balance sheet, income statement, and cash flow statement. It explains how these statements provide a clear picture of the company's financial health and performance over a specific period, allowing management to make informed decisions based on the data.

3. The third part of the document discusses the importance of budgeting and financial forecasting. It highlights the need to set realistic financial goals and create a budget that outlines the expected income and expenses for a given period. This process helps management anticipate potential financial challenges and plan accordingly to ensure the company's long-term success.

4. The fourth part of the document addresses the importance of financial control and monitoring. It emphasizes the need to regularly review financial data and compare it against the budget to identify any variances. This allows management to take corrective action if necessary, ensuring that the company remains on track with its financial goals.

5. The fifth part of the document discusses the importance of financial reporting and transparency. It explains how providing accurate and timely financial reports to stakeholders, such as investors and creditors, is essential for building trust and maintaining the company's reputation. It also highlights the importance of adhering to relevant financial reporting standards and regulations.

6. The sixth part of the document discusses the importance of financial risk management. It explains how identifying and assessing potential financial risks, such as market fluctuations and credit defaults, is crucial for protecting the company's assets and ensuring its financial stability. It also highlights the importance of developing effective risk management strategies to mitigate these risks.

7. The seventh part of the document discusses the importance of financial planning and strategy. It emphasizes the need to develop a clear financial plan that outlines the company's long-term financial goals and the strategies to achieve them. This plan should be regularly reviewed and updated as the company's needs and market conditions evolve.

8. The eighth part of the document discusses the importance of financial communication and collaboration. It explains how effective communication and collaboration between management and financial staff are essential for ensuring that all financial activities are properly managed and reported. It also highlights the importance of providing training and support to financial staff to ensure they have the necessary skills and knowledge to perform their duties effectively.

9. The ninth part of the document discusses the importance of financial innovation and technology. It explains how leveraging financial technology, such as accounting software and data analytics, can improve the efficiency and accuracy of financial management. It also highlights the importance of staying up-to-date with the latest financial trends and technologies to ensure the company remains competitive in the market.

10. The tenth part of the document discusses the importance of financial ethics and integrity. It emphasizes the need for management to uphold high ethical standards in all financial transactions and reporting. This includes being transparent, honest, and fair in all financial dealings, and ensuring that the company's financial practices comply with relevant laws and regulations.

In conclusion, the document highlights the importance of financial management in ensuring the long-term success and sustainability of a company. It emphasizes the need for a systematic approach to record-keeping, regular financial statements, budgeting and financial forecasting, financial control and monitoring, financial reporting and transparency, financial risk management, financial planning and strategy, financial communication and collaboration, financial innovation and technology, and financial ethics and integrity. By following these principles, management can ensure that the company's financial activities are properly managed and reported, leading to improved financial performance and long-term success.

VARSITY GRIDIRON REVIEW

Fielding one of the greatest teams in South Pasadena's entire football history, the 1949 Varsity football squad showed their greatness by easily taking the Foothill League Title and then going on to win a permanent berth in the CIF semi-finals.

The mathematicians showed that South Pasadena, under the leadership of talented Coach Frank Williamson and the line coach James Eacutt, in league play averaged 43.3 points per game to an opponent average of 12.1 points. Scoring all together 58 touchdowns and 41 conversions, the Tigers were the highest scoring high school in Southern California, totaling 389 points against 150 opponent points.

In individual play the Tigers took highest honors with such adepts as Team Captain Bob Garrett and leading scorer, Ronnie Stewart.

Quarterback Bob Garrett, a three-year letterman, led the Tigers to most of their victories with terrific passing and ball handling. Ronnie Stewart, also a three-year letterman, stacked up the points with skilled aerial and ground work. Garrett and Stewart made all CIF first and second teams respectively. (One of the Tiger's fine ends, George DeWeese, also made the CIF first team). The Tiger varsity first string line was a leading factor in South Pasadena's fine showing this 1949 season. Averaging 195 pounds, the Tiger line overbalanced any opponent line, making a steady foundation for signal calling.

In the opening game of the season, the Tigers met their first defeat against a formidable foe, Mark Keppel Aztecs, losing 0-18 in the Aztec's first scalping of the Tiger varsity in five years.

With second string quarterback, Pete Reynolds, taking the place of the injured Bob Garrett, the Tigers rolled over El Monte Lions 24 to 6 in the second encounter of the season.

In the Foothill League opener, the Tigers easily defeated

the Bell Garden Lancers, 47-6. Although still injured, Bob Garrett went in to make his first five conversions.

In the second encounter of the season, which was against Burbank, Bob Garrett headed the Tiger varsity to a 40-21 win. This was the Foothill League clincher, since Burbank lost only to the mighty Tigers. Bob Garrett tossed five touchdown passes, with Ronnie Stewart going over from the five for the lone ground score.

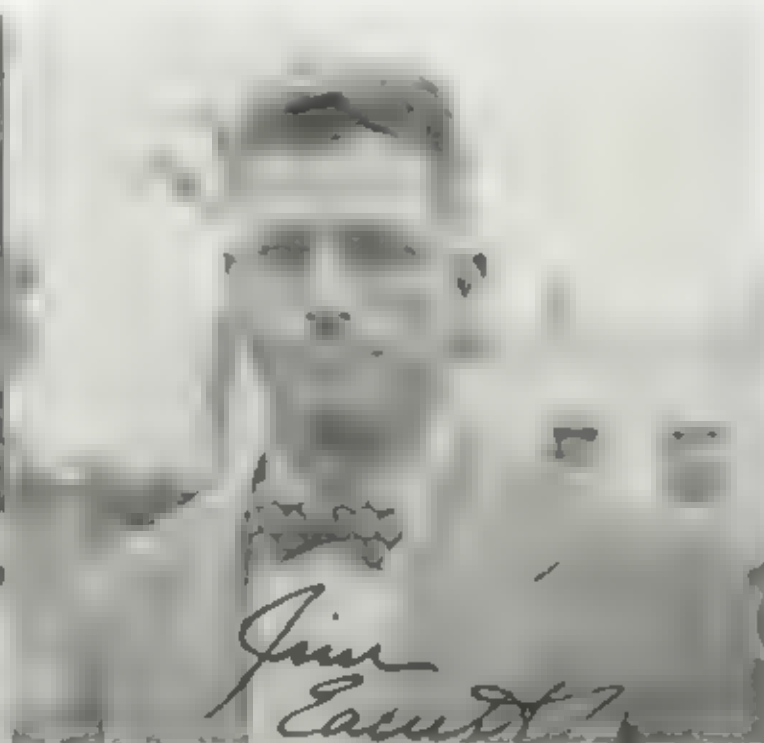

The Tiger's next three victims were downed with ease. They were Glendale Broadway, defeated 41-19; John Burroughs 41-7; and Glendale Hoover 62-12, which was the highest score run up against an opponent by South Pasadena in its modern history.

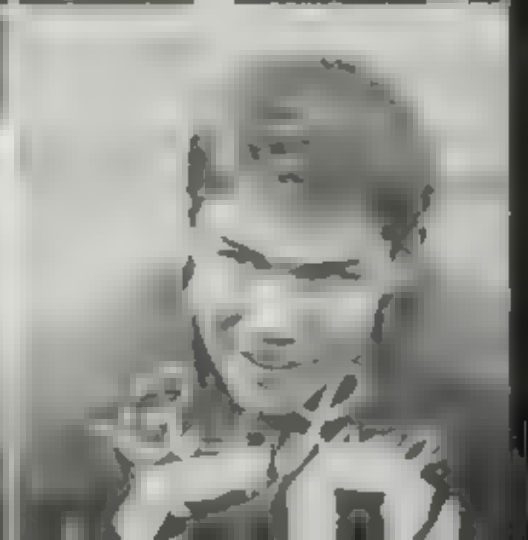

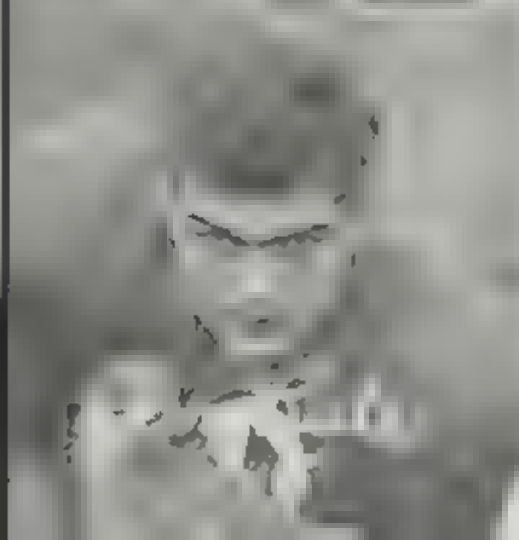

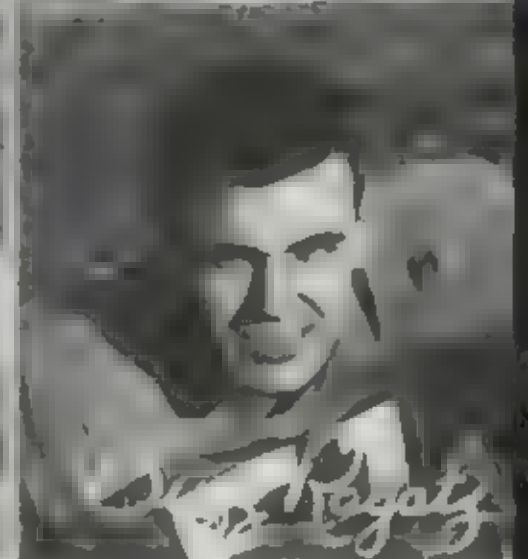

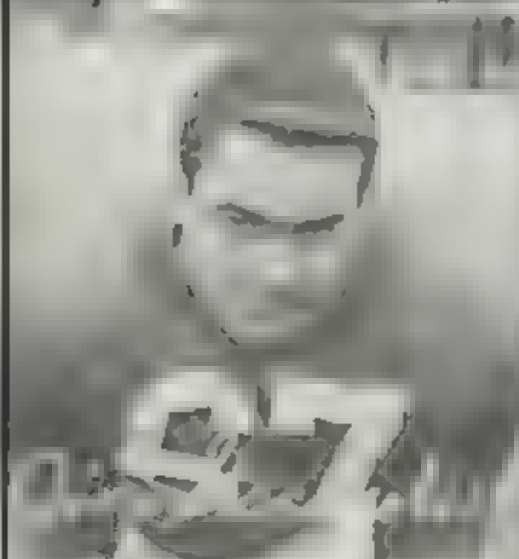

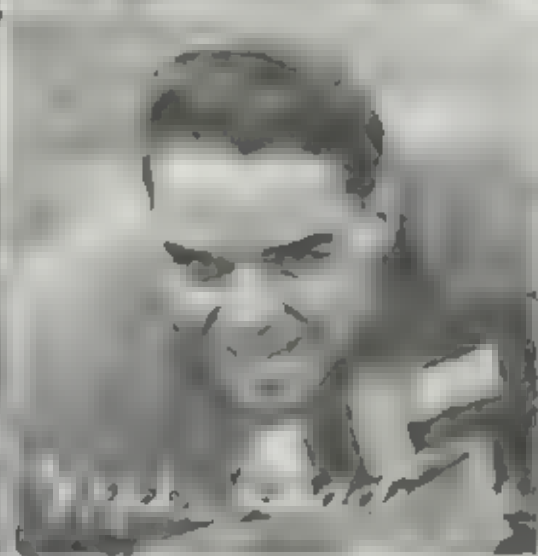

The "big" game of the league season was against a strong Monrovia eleven. With the backing of the entire student body, the Tigers played one of their finest league games of the season, bowling over the Wildcats 45-13.

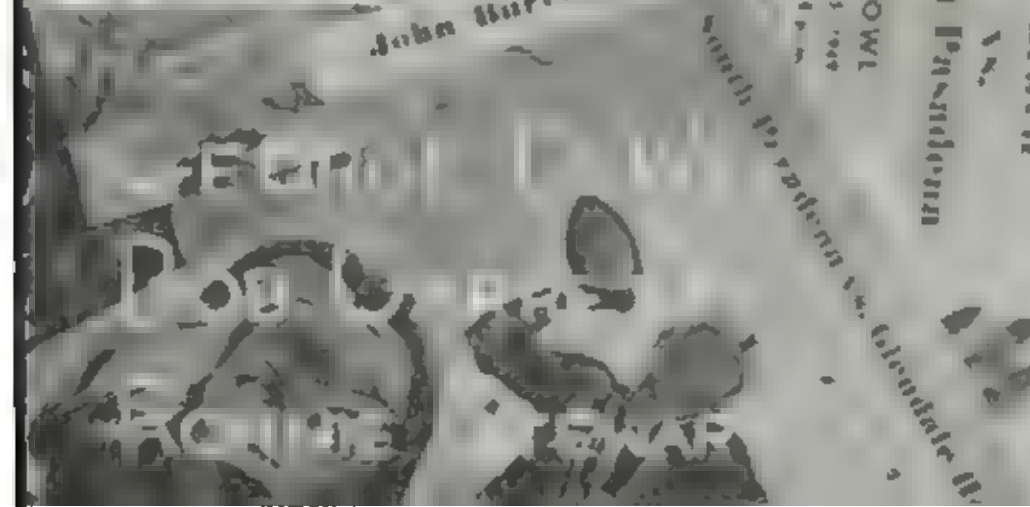

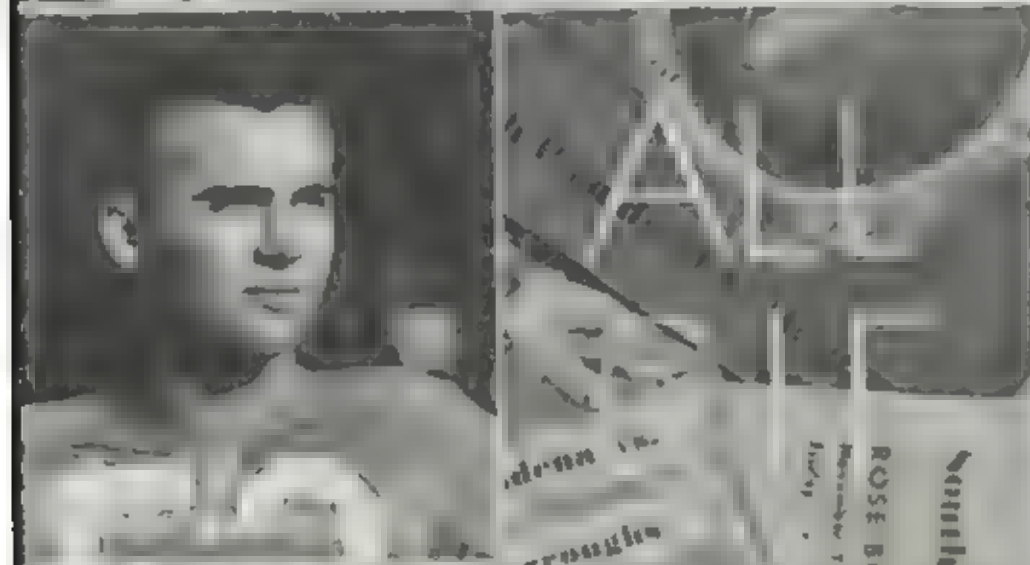

South Pasadena totaled their seventh league win by defeating Covina in the last league game of the season, 28 to 7.

Having won the Foothill League title, the Tigers moved into the quarter final position of the CIF opposite the strong Cantwell eleven, which had taken by storm the Catholic League victory from the favored Loyola team. In the Rose Bowl the Tigers again gained glory as they whipped the over-rated team, 41-7, and stepped into the semi-finals against the mighty Santa Barbara Dons.

On the fateful day of December 3, the Tigers traveled to Ventura to receive their second defeat of the season. The Tigers, however, showed themselves to be a skilled team as they ran up a half-time score of 20 to 7. However, unable to keep their foothold, the Tigers lost, 20 to 34. Thus with a fine showing the Tigers closed their chances for a CIF championship and ended the glorious history of the greatest team in Coach Frank Williamson's ten-year stay at South Pasadena.

CROSS COUNTRY REVIEW

Winning four out of their first five meets, the South Pasadena Cross Country team had a very successful season, placing second in the Foothill League and setting new individual record.

The Tiger mud runners, coached by James Eacutt, took fourth place in the CIF finals with a team score of 86 points. Don Rose placed fifth, Warren Howell placed tenth; Scott Fisher, eighteenth; Marshall Clark, twenty-sixth; Irving Anderson, twenty-seventh, and Dennison York twenty-eighth.

In the individual season's performance, the Tigers had Don Rose, Scott Fisher and Warren Howell who all made good showings. Don Rose set new school record in the 4.5 mile and 10 mile meets. The runner who was 9:55.8 K. Rose set the pace for the Foothill Hills Cross Country runner who set a new-course record

with the time 3:13 although South Pasadena then took the next five places.

Both Warren Howell and Scott Fisher have been consistently within seconds of Don Rose at every meet. They finished most meets fighting for second and third places.

The Tiger Cross Country team met with El Monte for their first game. The Tigers came out on the short end (a low score wins). The spikesters then hit a winning streak and copped four straight meets before losing by one point to Corona. They trimmed Loyola 19-39, Beverly Hills 20-40, Inglewood 32-39, and Muir 15-45, sweeping the first five places before traveling to Corona.

The team was led by Don Rose, Warren Howell, Scott Fisher, Marshall Clark, and Dennison York. Mel Goldberg officiated as manager.

BEE PIGSKIN REVIEW

Quarterback Dennis Mooney, halfback Ross Fopiano, and Captain Pat Beattie. George Underhill, center Lee Gray, halfback Ken Simpson and tackle Al Garlinghouse, all consistent performers for the club. The loss of Mooney's passing in the last two games was a big deficit to the team as the

Scott showed unusual accuracy in all his passes. Mooney developed into a dependable quarterback. Simpson and Fopiano were good running backs, with Lou Ames and Jo French showing well on defense.

Coach Green was competently assisted by Mr. Garland Lewis, who became a coach at South Pas in 1949.

Lettermen for the 1949 season: Ross Fopiano, Bob Frank, Jo French, Al Garlinghouse, John Gramont, Lee Gray, Al Harlan, Tom McLaughlin (second year), Dennis Mooney, Dick Sanders, Ken Simpson, George Underhill, Bob White, and Tom Shepperd.

The '49 Bengal Bee grid squad was a definite threat in the Foothill League, finishing the season with three wins, three losses, and one tie. Although they were lacking in experience and weight, they counterbalanced with their determination and spirit.

Starting the season at Bell Gardens, the Kittens routed the Lancers, 26-6, and continued on to overthrow the Burbank pups, 13-6. The Glendale Dynamiters were tied in a hard fought game, 14-14.

The new Burbank school, John Burroughs, showed their championship form with an impressive 26-0 first-quarter lead and continuing on to win, 40-21, after the Kittens made a spectacular comeback. The Bees dropped their second straight contest to Glendale Hoover, 26-20.

The Kittens nudged the Covina Colts, 7-6, in the final game of play with a 45-yard Scott to Underhill, Scott booting the extra point.

In the closing game of the season, Monrovia knocked off the Bees, 14-7. Mooney's passing was missed badly.

TOURNEY CHAMPS

VARSITY HOOPSTERS

The South Pasadena Varsity basketball squad upheld their past reputation by having another fine season. Finishing a runner-up in the Foothill League and putting on a closing spurt after mid-year graduates had left the squad the Bengals ended by being the high scoring team in Foothill League with a total of 720 points.

Starting the season by winning the Foothill League Tournament and defeating Burbank High in the Finals, the team earned its eighth tournament trophy in history and placed both Smith and Morley on the all-tournament team.

Bob Garrett was placed on the all-Foothill League first team, and Don Smith was placed on the second team. Don led the squad in scoring with a total of 435 points for the season, and 252 for the league season, which gave him an average of 17 points per game. Captain Sam McGladwin graduated in mid-year, averaged 15 points per game during his stay on the squad. Dan Oredson, center left with Sam.

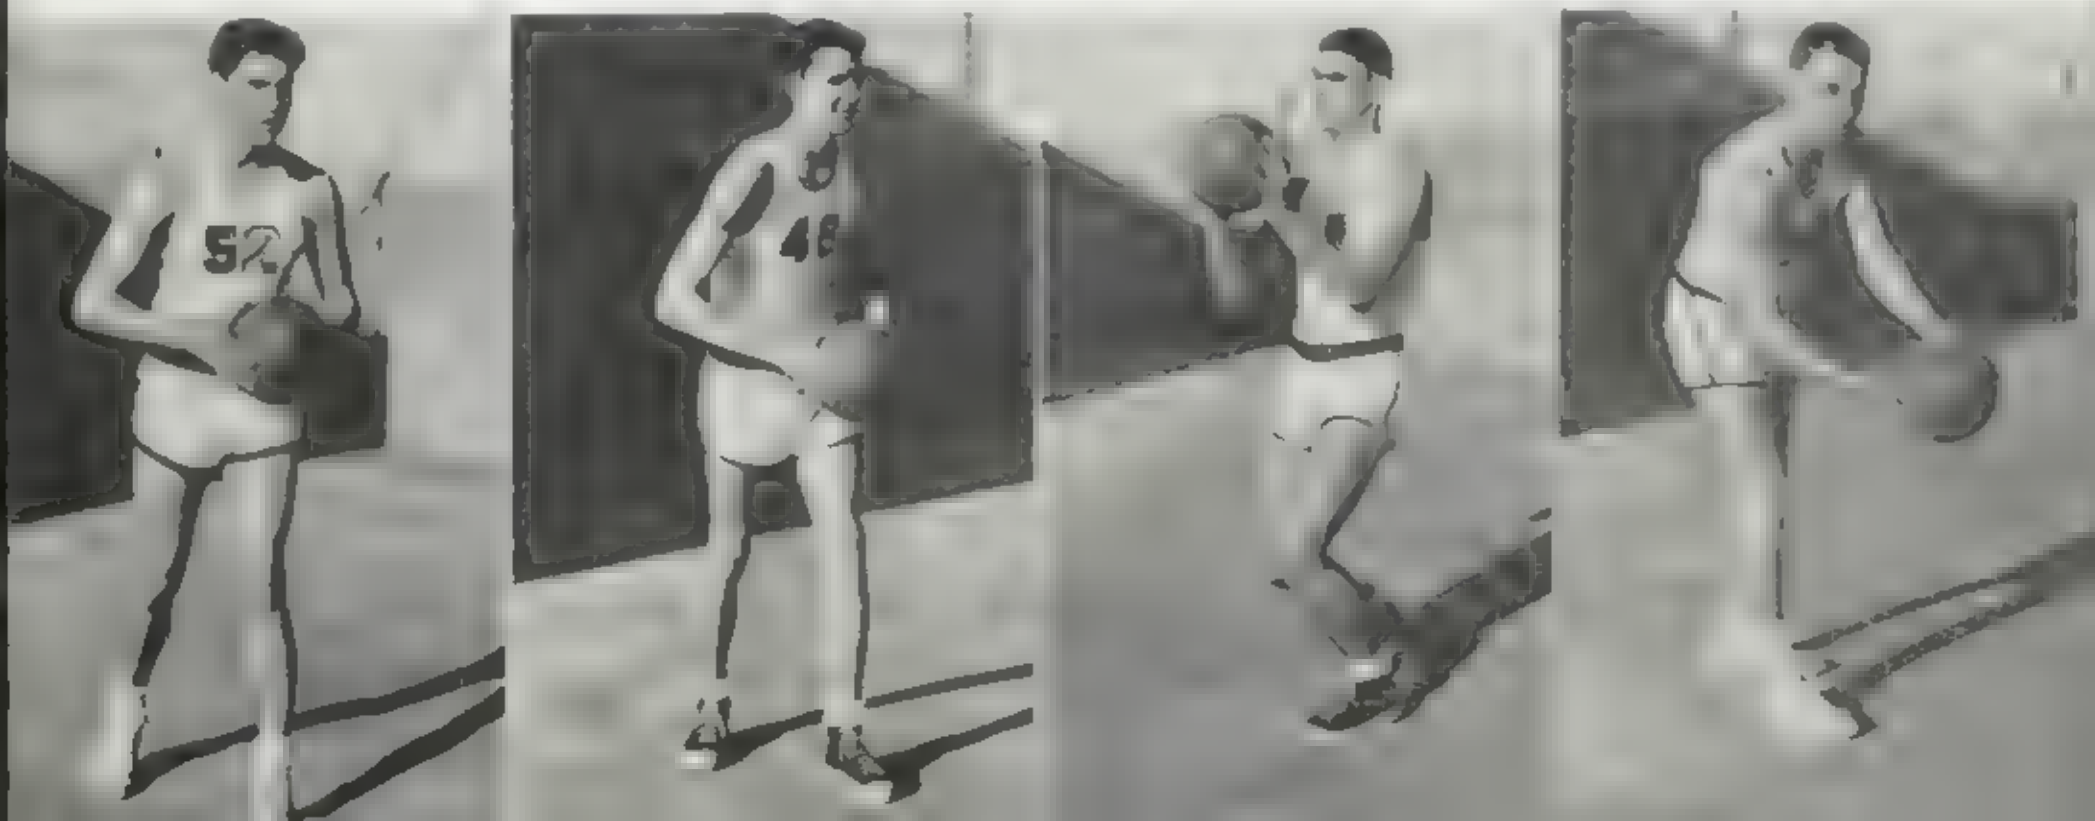

The Tigers defeated some outstanding teams including Riverside, Burbank, Covina and Jordan. The highest point of the season was made against Bell Gardens, when the Tigers ran up a new record for the school with 72 points. The Bengals then journeyed to Burbank where they were downed, 37-29. They rolled over Glendale and proceeded

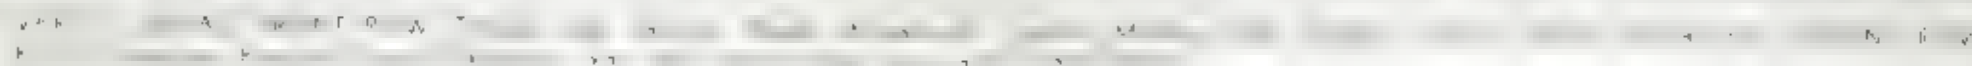

to edge the Burroughs' Indians 58-54, and then pushed over the Covina team via thumped the Tigers 49-46 in a game it played there. In the last game of the first round, Covina was snowed under 46-37.

In the opener of the second stanza, the Gardens' five were again white-washed 54-28. For the second time Burbank took the long end of the score, 37-35, and Glendale followed suit by overthrowing the Espeemen in a thriller 52-47. The Burroughs team bounced back, after their first defeat by the Tigers, by taking the second game, 45-43. The final three league games—Hoover, Monrovia, and Covina—were decisive victories for the home team with scores of 60-43, 58-37, and 53-35 respectively.

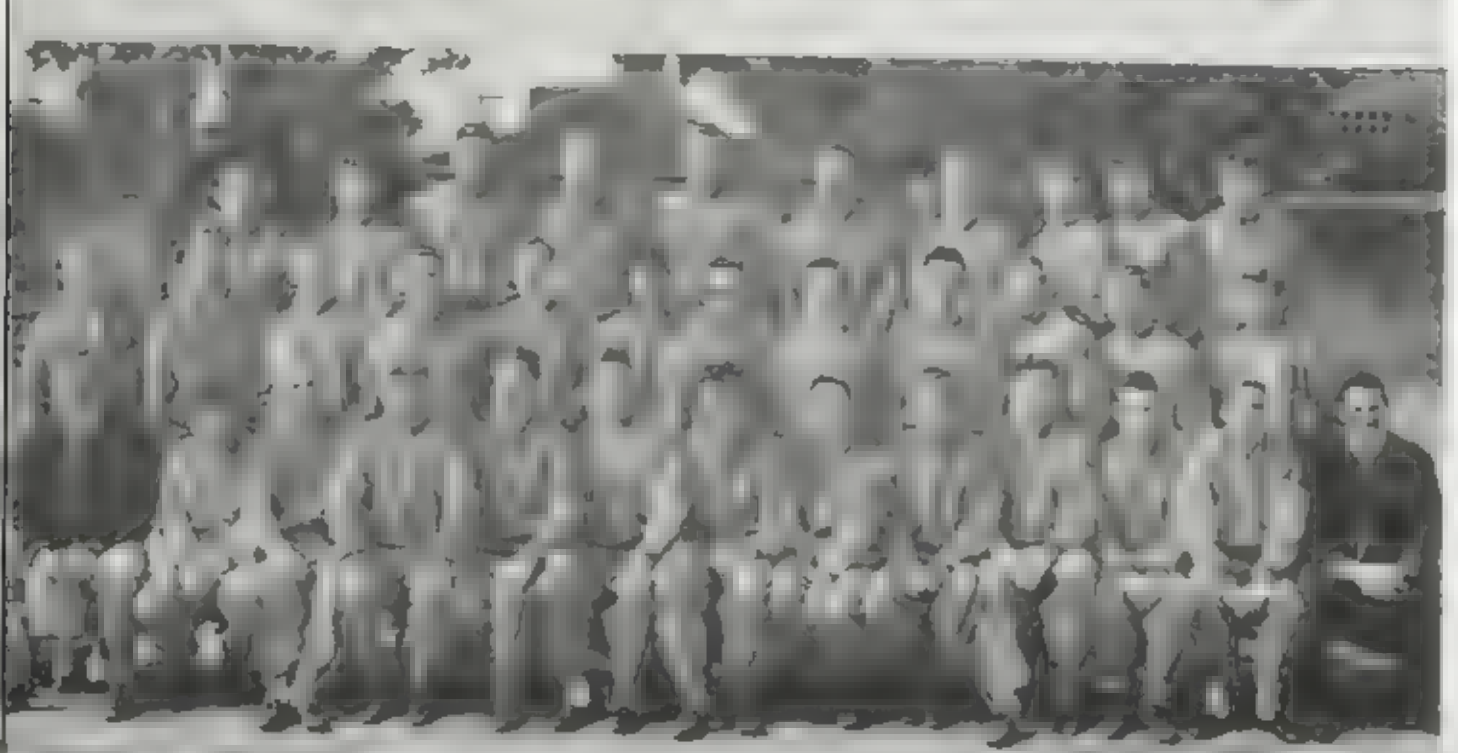

In all, the squad broke two records for the season. Eleven men were awarded letters. These were Captain Sam Morley, Bob Garrett, Charles Nease, Gary Wheatcroft, Mies Turpin, Dan Oredson, Ted Scott, Roy Polkinghorne, Roger Van Pelt, Captain-elect Bob Long, and Don Smith. Bob Long, Roy Polkinghorne, Ted Scott will return next year to comprise the team with up and coming Bee players and Varsity non-lettermen.

TIGER SPIKESTERS

SEASON'S REVIEW

Fighting their way to second place behind Glendale Broadway in the league finals, the Varsity tracksters made fine showings throughout the year. Although excelling as a unit, individuals on the team came through at the end of the season with many new records made.

Some of these individuals were: Ed. Buhling, who came within one-half inch of breaking the high jump record which is 6' 1/2"; Jim Noe, who broke the 120 low hurdle record held by Reese Cave at 13:2, lowered it to 12:9 and also set the record for the new event, the 180 low hurdles at 20:7; Phil Brabyn, a junior, who won the Bee CIF shot put last year, tossed the weight 51' 3/4"; Roger Van Felt set a new record at 50' 10" in the shot put; and hit 52 feet in the 440.

Jim Noe won the Varsity high point award by taking 66 1/4 points. Jim represented the Tigers in 100 at the CIF finals. The other spikesters who represented South Pas are Mousey Anderson in the 440; Jim Noe in the 180 low hurdles; Henry Hand who sailed 21 feet three inches in the broadjump, will enter same in the CIF; Phil Brabyn in the shot put event; and last but not least the relay team consisting of Noe, Fopiano, Hand, and Anderson. The results of the CIF Finals were not completed at the date of publication.

Returning lettermen this year were Bob Bird, Mousey Anderson, Jim Noe, Don McLaughlin, Dick Welen, and Louie Robinson.

Although no records were broken by the Tiger Bee Track Team the team made substantial winnings over most of their opponents.

Ken Simpson excelled in the 220 and the 100; Simpson was a returning letterman this year, he stayed with the Bees unlike Norton, Buhig, Brabyn, and Hand who transferred to the Varsity squad.

Roger Mann also made a good showing in the 220 and the 100. He was a returning letterman this year. Jerry Turner and Walt Conn brought in points in the Bee shot put.

The Cees improved greatly this year winning their first meet in four years then going on to take more.

Melvin Goldberg was the all-round man; as a returning letterman he took many points in the 100 yard dash and the broadjump.

Those CEE's who qualified in the CIF were perennial Melvin Goldberg in the 100; Tom Shove in the 180; and the relay team with Tom Shove, Melvin Goldberg, Marc Sandstrom, and Bob Myers.

BASE

VARSITY

Under the fine coaching of C. Merrick Green, our Tiger varsity baseball team was one of the finest squads in the league. Led by a pair of fine coaches in Ken Brown and Rod Ristow the team found themselves, shortly after the season began, moving into first place in the league.

Two returning letterman, Bob Garrett and Pete Reynolds, helped in raising the batting average, both of them being outstanding. The surprise of the team was the rapid development of the juniors and sophomores on the squad. Dennis Moon developed into a promising catcher. Brookes Hughes, Jim Knerr, and Jim McDowell, all infielders, showed great promise. Pete Reynolds, Art Baudry, Pete Scott, and Ken Brown all returned this season after having given fine accounts of themselves this season.

Ken Brown reached the hall of fame when he pitched the first no-hit, no-run game in the history of the school against Burroughs High, winning 3-0 with only three men reaching first base. He had two no-hits in his career with Ristow having pitched two.

The Tigers finished in second place as league runner-up. Rod Ristow was elected MVP. Also outstanding were Knerr, Giddings, Reynolds. Mike Giddings led the squad in hitting with an average of .448.

Jim Knerr was selected as all-league third baseman. The squad, with seven returning lettermen, averaged .300 in batting, the best since 1941.

Garrett, Ameunxen, Ferron, Sorca, Ristow, Brown, Giddings, Maffett, Coach Green.

BALL

JAY VEE

The Tiger Junior Varsity baseball team turned in an average record this year, having won two and lost four at the date of publication, with two games more to play. Coach Frank Williamson welcomed back only one letterman in Bob Alderman from his championship team of last year.

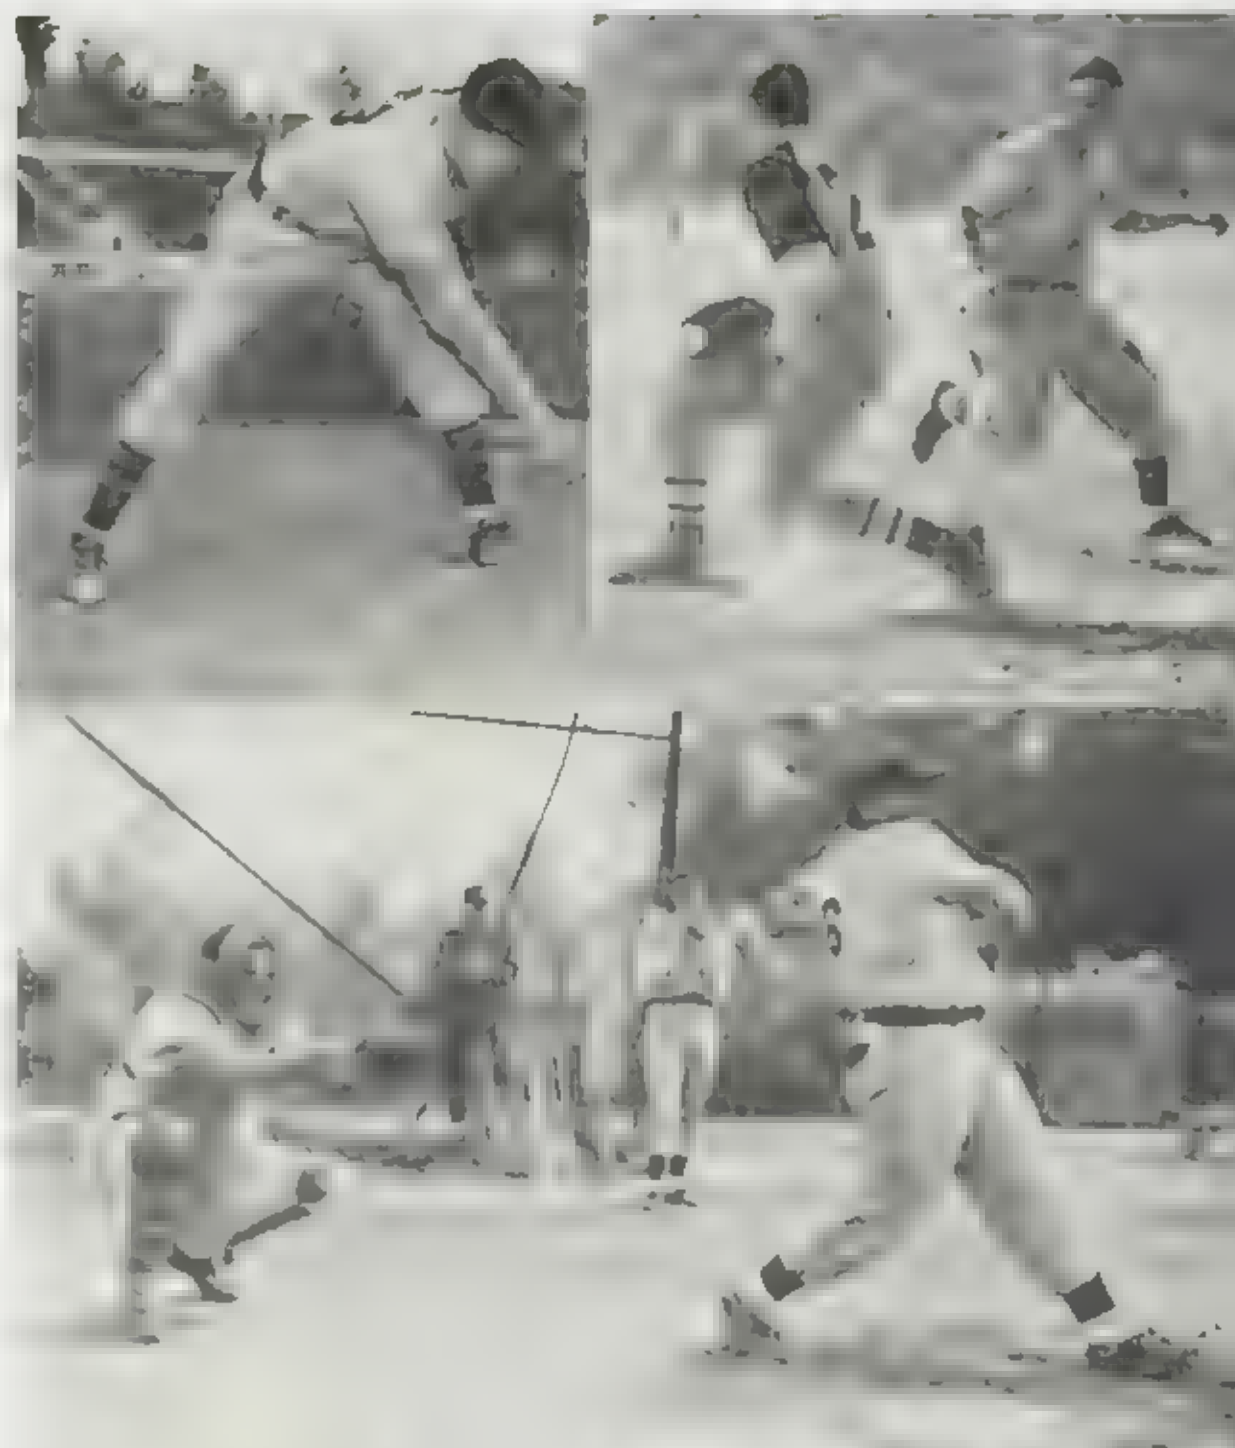

Shortstop Ken Kesler proved to be the main spark of the team turning in a fine fielding average. Bill Woodward also kept up the spirit with his fine pitching, being assisted by Bob Edwards, Bob Long, and Dave Jenkins.

Other infielders were Dave Jenkins and Rose Deh at first, Bob Alderman at second, Dave Maclean at third, and Peter Hubbard behind the plate.

The outfield found Natalie DeThoma, Bob Long, Craig McManigall, and Fred Garrison chasing the fly balls.

The first league encounter saw Moravia outclass the Bengals 12-4, but after being dropped by Glendale 16-9, they came back to defeat Covina, 4-3.

John Burroughs was also a victim of the rapidly improving squad by a score of 2-1, but Bell Gardens turned around and sank them to fifth place by a 6-1 win, and Hoover crushed them 14-4, thus ending the 1950 Junior Varsity baseball season.

Coach HARRY SWART

Coach Harry Swart, who led the Varsity tennis team to a record of 10-1, has a top twenty team. This year's team was made up of eight sophomores and two juniors. The Tiger team was made up of the following players and the rest of the team was made up of the following players.

This year's tennis team was sparked by eight sophomores who came up to fill the place of the seniors of last year. Bill Cranstoun, Gene Barnes, Roy Meyers, Art Piz, and Tom Piz were the sophomores who were the mainstay of the team.

JAYVEE REVIEW

South Pasadena's Junior Varsity tennis team was again crowned league champions. In the history of South Pasadena-San Marino High School, the Jayvees have never lost a match, not even a practice one. This record was continued by wins over Glendale, Covina, Burroughs, and Monrovia.

In the first match with Monrovia, their coach had the match contested because South Pas played Gene Barnes who was ninth man on the Varsity. Coach Swart did this because Peter Dobbs, who was tenth, had been in better playing form than Barnes; so Dobbs was pitted against the Monrovia Varsity. In the return match Monrovia was beaten worse than they were in the first contested match.

With an unbeaten, untied season the Tigers were thus defeated by official decision only, losing to Monrovia the League Championship and taking second place.

Lettermen for the J.V.'s are Harrington, Funderburg, Taylor, Jordan, Chandler, Jemelian, Blakeslee, Mitchell, Paris, Bonnell, Hammond.

GOLDEN GLOVES

Putting on an exciting but shorthanded exhibition the 1950 Golden Gloves Tournament drew over 600 fans in its spirited three day period.

The champions of the Tourney were as follows: Flyweight George Minard, Featherweight Warren Howell, Lightweight Jay Bowers, Welterweight Doug Young, Middleweight Dave Bear, and last but not least, Light-heavyweight Samuel Morley who was awarded the Light-heavy Championship by default—there being no other light-heavy contenders. Walter Conn, who lost a decision match to Dave Bear, was awarded the Silver Glove for sportsmanship. The sixth annual Tourney thus ending after a successful three day period.

Lettermen for the J.V.'s are Harrington, Funderburg, Taylor, Jordan, Chandler, Jemelian. 2nd ROW, Blakeslee, Mitchell, Paris, Bonnell, Hammond.

ACKNOWLEDGMENT

The 1950 Copa De Oro staff wishes to extend their sincere appreciation to the following persons and organizations for their untiring efforts in helping to make this annual possible.

Mr. E. H. Crook, adviser.

Miss Hester Lauman, art adviser.

Mr. Ernest H. Brooks, of the Ernest Brooks Studio, for his photography of the senior and the junior classes.

Mr. Bert Walters of the Wolfer Printing Co. for printing, engraving, and binding.

Mr. Bill Retchin of the S. K. Smith Co. for furnishing the covers.

Charles Everts for his help as student photographer.

All students helping in the two yearbook sales, especially Virginia Long, Frank Loffer, Ginny Constans and Alice Painter who were high point salesmen.

The administrators, faculty, and students who have spent their time and effort throughout the year in assisting the staff.
